

RESOLUTION 2008 – 15

**RESOLUTION AMENDING CHAPTER 50
SEWER AND WATER SERVICE
FOR THE CITY OF BYRON**

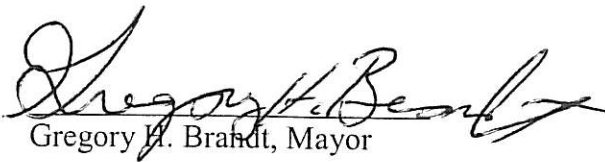

Chapter 50.06, User Rate Schedule, paragraph (C), Averaging of Water usage to determine sewer charges for the months of June, July, August and September for all residential water connections in the City of Byron.

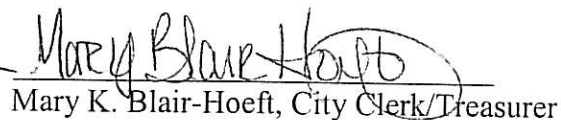

Averaging is the collection of residential water usage for the months of October through May for a residential unit then dividing it by the number of months of the water/sewer data collection.

The residential user will be required to pay for the actual water consumed for the months of June, July, August and September with the sewer charges limited to the averaging calculations.

This Resolution shall take effect on August 1, 2008 implemented commencing September 1, 2008.

Passed by the City Council of the City of Byron, Minnesota this 9th day of July, 2008.

Gregory H. Brandt, Mayor

Mary K. Blair-Hoeft, City Clerk/Treasurer
